

IJSLANDER

ADVANTAGES

- ✓ Due to the design of a number of different semicircles, it can be customized.
- ✓ The integrated design offers many different sports in a small space.
- ✓ All ages can play sports together.
- ✓ Low noise due to sound-absorbing cables.

ARENA HYDE PARC ARENA PARC

Article: AA-4008-B-B02-B03

Working out together connects. Different types of exercise and sport come together in the new Arena Parc. All elements are connected, making exercising together fun and easy. The possibilities for composing the Arena Parc are endless. And all that in the healthy open air! The possibilities of the Arena Parc The new Arena Parc has been developed with the idea of creating a flexible multi-park in which different sports come together. In the center is the Citybox Arena, a sports cage with the possibility of football and basketball, for example. And because of the semicircles, the Arena Parc offers...
