BARFORZ DJ POLE BARFORZ

Article: 1560

This 'sound pole' consists of a shielded amplifier with a space where a smartphone can be put in. The audio being played on this smartphone is enhanced by the DJ Pole. The pole has to be manually charged (dial) and works approximately 4-5 minutes. The DJ Pole can be placed at any BarForz Field (S-XL) or at a trail with loose BarForz equipment. The sound pole is ideal for group training sessions and available.
