Want to encourage young people to use the Citybox? Expand it with an Urban Sports Battle Sign with QR code. By scanning the QR code, football enthusiasts can post their own football tricks on a special website or view the football tricks of others. The website also includes locations of Cityboxes with an Urban Sports Battle Sign. This makes it child's play to organise a neighbourhood tournament! This Urban Sports Battle Sign is mounted on the cables of the Citybox.

Sports values of the Citybox with Urban Sports Battle:

1. Meeting & Fantasy
2. Playing football
3. Exercise
4. Sports activities
5. Running
6. Interaction

Benefits of Citybox:

- Fully customisable.
- Low-noise thanks to sound-absorbing cables.
- Transparent structure, keeping sight lines open.
- Creates a gathering place in the neighbourhood.
- Available in any standard RAL colour.
