

IJSLANDER

ADVANTAGES

- ✓ Set up a playground in a flexible, sustainable and cost-effective manner.
- ✓ Playground equipment can be changed quickly.
- ✓ Play area grows with neighborhood demographic developments.
- ✓ Click & Play contributes to a circular economy.

BUILDING BLOCK A CLICK & PLAY

Article: 1890

Click & Play is an advanced click system combined with Building Blocks (ground pots) on which equipment can be placed. A Building Block has a fixed format, taking into account various play functions and safe zones. This way the surfaces do not have to be adjusted when switching equipment. Several Building Blocks can be placed on one playground.
