CARISMA CLIMBING NET CARISMA

Article: 1902

In the Carisma Climbing net, children can clamber into the large spider web of rope or balance on two sidestains with holding rope. At the same time, the curved uprights stimulate children's imaginations, because such a twist can be anything. The Carisma Climbing net is available in any standard RAL colour. The climbing net and the holding ropes are available in the colours red, black, blue and green.
