## CHILDREN PLAYHOUSE XL BYO

Article: 1313-04

This Children's playhouse XL with open design has a large floor area, roof, three side panels, two benches, a table, a side panel with bars and one with a window that allows children to play peekaboo. Parents can keep an eye on the children while they are playing in the house and letting their imaginations run free. More than two children can play in this slightly bigger playhouse. The Children's playhouse XL is standard equipped with red roof, blue panels and a green panel with viewing window.
