## CITYBOX ARENA 24X12X3/1M CITYBOX

Article: 4009

This transparent Citybox of 24 x 12x3/1m is made of tubes with special, sound absorbing cables. Furthermore, this Citybox has two multigoals, two entrygates and a removable fence. This ensures that it is still accessible to, for example, a sweep truck. Due to the low-noise cables, the sports cage fits into any environment and offers a place for sports enthusiasts to exercise without disturbing the neighborhood. The Citybox is available with various accessories such as (combi)goals, a roofnet and an Urban Sports Battle board. It comes standard with a basketball hoop at official game height of 3.05m.
