

IJSLANDER

ADVANTAGES

- ✓ Developed in collaboration with TNO and Top Health Partners physiotherapists.
- ✓ EPDM rubber is also available in black.
- ✓ TÜV certified.

FIFTY+ DANGLE ROUTE FIT4LIFE

Article: 1377

The Fifty+ Dangle route is a grid of chains just above the ground with two handrails for support. The exercises may be varied by walking on or between the chains. The Fifty+ Dangle route focuses on foot and leg coordination, balance, and cardio when performing the exercises faster. The Fifty+ Dangle route is standard equipped with blue EPDM on the railings.
