## KUPA AKACIE KUPA

These stepping poles, measuring one meter long and varying heights up to 50 cm high, are perfect for practicing balancing. Move from one leg to the other and keep your balance. The Kupa equipment are mainly made from FSC-certified naturally formed Robinia hardwood with durability class 1. This is used in tree trunk form in frames, in ladder rungs and in plank form in the roofs. The structural constructions such as floors and side panels are made of Douglas heartwood from trees with the same durability class as Siberian larch. The plywood is a standard birch plywood with a...
