KUPA ARVID KUPA

The Kupa Arvid is a climbing equipment. It seems very simple, but the sliding bar, ladder and climbing net offers various play options. The Kupa equipment are mainly made from FSC-certified naturally formed Robinia hardwood with durability class 1. This is used in tree trunk form in frames, in ladder rungs and in plank form in the roofs. The structural constructions such as floors and side panels are made of Douglas heartwood from trees with the same durability class as Siberian larch. The plywood is a standard birch plywood with a phenolic coating for outdoor use (colored brown in...
