## KUPA BOOM KUPA

For a thematic playground or just because a boat is always fun, we have the Kupa Boom. This wooden boat appeals to the imagination of children. They can indulge themselves in this divers fantasy equipment. The Kupa equipment are mainly made from FSC-certified naturally formed Robinia hardwood with durability class 1. This is used in tree trunk form in frames, in ladder rungs and in plank form in the roofs. The structural constructions such as floors and side panels are made of Douglas heartwood from trees with the same durability class as Siberian larch. The plywood is a standard...
