KUPA DOUBLE SWING ANTI-WRAP, 2X FLAT SEAT KUPA

Article: CS-1-DA02-H

Two children can swing on this Kupa Double swing with two flat seats. The swing has an anti-twist function as standard. And you have the choice to equip the swing with normal bearings or anti-wrap bearings. Anti-wrap ensures that the seat can never be turned up on the top beam. This swing is made of Robinia wood and fits into the natural play concept very well. This swing is configurable. It can be expanded to up to 5 portals (15 meters wide). In addition, there is a choice of different materials for uprights, different seats and options for standard...
