KUPA JENS KUPA

The Kupa Jens is a challenging climbing and clambering device with more than four different climbing and clambering options. The black ropes connect the wooden poles. Children can climb from one side to the other in different ways and slide back down with the slide bars. The Kupa equipment are mainly made from FSC-certified naturally formed Robinia hardwood with durability class 1. This is used in tree trunk form in frames, in ladder rungs and in plank form in the roofs. The structural constructions such as floors and side panels are made of Douglas heartwood from trees with the...
