KUPA KLIMMY KUPA

Several children can climb at the same time on Kupa Klimmy. The climbing frame contains the play elements: climbing nets and ladders at different heights. Kupa Klimmy is supplied with wooden uprights and black ropes. The Kupa equipment are mainly made from FSC-certified naturally formed Robinia hardwood with durability class 1. This is used in tree trunk form in frames, in ladder rungs and in plank form in the roofs. The structural constructions such as floors and side panels are made of Douglas heartwood from trees with the same durability class as Siberian larch. The plywood is a standard...
