KUPA MIA KUPA

Article: 6581

The Kupa Mia is a fun playhouse that is placed slightly above the ground. With a balance beam with steps or a gangway you can get in and out of the house and there you have a cozy place under a roof to play. The Kupa equipment are mainly made from FSC-certified naturally formed Robinia hardwood with durability class 1. This is used in tree trunk form in frames, in ladder rungs and in plank form in the roofs. The structural constructions such as floors and side panels are made of Douglas heartwood from trees with the same durability...
