

The Kupa Niels is a large and beautiful climbing system with a fireman's pole, knotted rope, climbing plate and a climbing net. The tower and the hexagonal climbing system are connected with a climbing net. This equipment provides climbing opportunities, challenges and lots of fun for children. Standard equipped in wood and black ropes. The Kupa equipment are mainly made from FSC-certified naturally formed Robinia hardwood with durability class 1. This is used in tree trunk form in frames, in ladder rungs and in plank form in the roofs. The structural constructions such as floors and side panels are...
