KUPA PLAY PANEL AQUA KUPA

Article: 6635

Our sensory play panels can create small cozy spaces in parks or playgrounds. Our series of play panels are suitable for standing in one or more rows, or individually around the play area. If you place several panels together, the child's senses and imagination are extra stimulated. The Kupa equipment are mainly made from FSC-certified naturally formed Robinia hardwood with durability class 1. This is used in tree trunk form in frames, in ladder rungs and in plank form in the roofs. The structural constructions such as floors and side panels are made of Douglas heartwood from trees with...
