KUPA SINGLE SWING 1X FLAT SEAT

KUPA

Article: CS-1-ES01-H

You can enjoy swinging on this Kupa Single swing with a flat seat. The special anti-twist bearing prevents the seats from turning up, making it safer for children to swing. The swing is made of Robinia wood and fits well into the natural play concept. This swing is configurable. It is expandable up to 5 portals. There is also a choice of different materials uprights, different seats and options for standard bearings or bearings with anti-wrap and anti-twist. Check here for more information and contact us for all options.
