KUPA WILLIAM KUPA

The Kupa William is a small climbing frame with slide for smaller children. The Kupa William fits well in a natural playground. The Kupa equipment are mainly made from FSC-certified naturally formed Robinia hardwood with durability class 1. This is used in tree trunk form in frames, in ladder rungs and in plank form in the roofs. The structural constructions such as floors and side panels are made of Douglas heartwood from trees with the same durability class as Siberian larch. The plywood is a standard birch plywood with a phenolic coating for outdoor use (colored brown in the...
