## MADERA SINGLE SWING 1X FLAT SEAT MADERA

Article: CS-1-EA01-M

It is wonderful to swing on this Madera single swing with curved uprights and standard seat. The special anti-twist bearing prevents the seats from twisting, which extends the life of the chain. The anti-wrap system ensures that the cables do not twist around. the top beam can rotate. The curved uprights with the special, strong light brown coating and wood grain stimulate the imagination of the playing children, because such a twist can be anything. The Madera appliances have a natural appearance, but are made of extremely strong stainless steel . This swing is configurable. It can be...
