MELODY MINGLE VIVALDI VARIO SPELEN

Article: 1756-01

With an outdoor music equipment you can stimulate children and adults musically and inspire them to be creative with sound. Discover new sounds and create your own melody. The Melody Mingle Vivaldi vario is made of stainless steel and the uprights are made of robust Robinia wood. The device is supplied with 2 percussion sticks that are attached to the device. This variant is placed higher and is therefore more accessible for wheelchair users. This makes a fall surface necessary. The sound tubes on this device are upright.
