## SINGLE SWING 1X BIRD'S NEST BASIC

Article: CS-1-GS07-S

The bird's nest swing is a playground favourite! The seat is suitable for multiple users at the same time, so that children learn to work together. Of course, a child can also only use the seat by lying on the seat and looking at the sky. The nest swing offers the possibility to stand, sit, lie down and jump off. Due to the special anti-twist bearing, the seats cannot wind up, which extends the life of the chain. This stainless steel swing is available in any desired color at an additional cost. This swing is configurable. It can be...
