

IJSLANDER

ADVANTAGES

- ✓ Developed in collaboration with TNO and Top Health Partners physiotherapists.
- ✓ EPDM rubber is also available in black.
- ✓ TÜV certified.

TWENTY+ FITT FRAME FIT4LIFE

Article: 1383

The Twenty+ Fitt frame consists of five sturdy posts that have been strengthened for intensive use. Five horizontal bars are attached to the posts and there is a tilting handrail at the top. The exercises focus on cardio and strength by pull-ups and on flexibility by tapping the bars. The Twenty+ Fitt frame is standard equipped with blue EPDM on the handles.
